STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY

SEIAA-2018//CR.07/Est.,
Environment department,
Room No. 217(Annexe),
Mantralaya, Mumbai-32
Date: 03 .02.2018

Circular

It has been observed by the Authority that SEACs are regularly forwarding Environment Clearance proposals to SEIAA after imposing certain conditions. The SEIAA has taken serious note of the same. SEACs to note that the compliance and verification of the conditions imposed by them before forwarding the proposal to SEIAA is the responsibility of SEAC.

In Future any proposal forwarded to authority which require appraisal will not be taken on agenda of Authority.

SEACs are also requested to refer and adhere the Office Memorandums issued by MoEF&CC on dt. 10.11.2015 and 19.06.2013 regarding thrust areas of environmental sustainability while appraising the 'Building and Construction' and 'Township and Area Development' projects. The same are enclosed herewith for perusal.

This is issued with the approval of SEIAA.
