Sub: Releasing the restriction of Thirty Meters height up to 45 meter for Educational building in order to consume FSI of 4 to set up Incubation and Innovation Centres for the start-ups.

Ref: Your letter dt 17/2/2017 addressed to Hon. Chief Minister Maharashtra State and copy there of submitted to Hon. M.C.

Gentleman,

Please refer to your representation dt 17/2/2017 addressed to Hon'ble Chief Minister and copy thereof to Hon'ble M.C. regarding the subject matter.

In the said representation it is requested to increase limit of height for Educational building from 30 mt to 45 mt, which is restricted as per amendment of Maharashtra Fire Prevention and Life Safety Measure Act 2006. It is also informed that the said restriction of height of 30 mt is increased to 45 mt in case of Hospital buildings.

In this case, it is to inform that, the restriction of height for Educational building is imposed in Maharashtra Fire Prevention and Life Safety Measures Act 2006 in accordance with National Building Code. There is supreme court - judgment "Civil Original Jurisdiction" – Writ Petition (Civil) No 483 of 2004 and according to this Judgment, National Building Code is to be followed strictly for Educational Buildings. The revised National Building code published recently in March 2017 also restricts height of Education building up to 30.Mts.

For information please,

Chief Fire Officer
