

From the Desk of Municipal Commissioner

It is observed that, in some of the files which are submitted for approval of concessions to Municipal Commissioner, the concessions / approvals requested by Architect /L.S. are not in consonance with the regulations / policies. All concern staff are hereby directed to scrutinise the proposals strictly as per the relevant provisions and shall not submit any such concessions/ proposals for approval to Municipal Commissioner which are not as per the provisions of regulations/policies or which are not within the powers of MC. Lapses in this regards will be viewed seriously.
