As regards the Committee to whom Environmental Cell will present their report, it is to be mentioned that in MCGM there is no Committee for approving the plans, as such, the Committee will be only the person competent to give building permission i.e Dy Ch E (B.P) of respective zones.

Since Govt. in UDD has issued 154 directives along with Notice under section 37 1 AA, the process of issuing Environmental Clearance will be started with immediate effect. However, as discussed on 20.05.2017, the online process may

take about 3 months to start hence; it is proposed to start the process by accepting hardcopies from the Project proponent immediately.

The S.O.P for the process of giving Environmental clearance will be finalised in 15 days, from the date of formation of the Cell and Committee as above is approved. Since the process of Environmental Clearance is to be carried online, the schedule is as under :

To begin with the process with hard copies submissions , for the reasons mentioned at portion sidelined 'Y' at page N/7-8 few staff will be required in the cell on working arrangement under one Executive Assistant (A.O) and to be located in the office of one of the MCGM member of the cell.

In view of above Hon'ble M.C.'s approval is requested to :
