

# SLUM REHABILITATION AUTHORITY

Circular No.

No. CE0/SRA/1720

Date:- 02/08/2018

## C I R C U L A R

Subject : Implementation of the Ease of Doing Business - Manual of Procedure for Slum Rehabilitation Scheme (S.R.S.) Approvals

Reference : i. Ease of Doing Business - Manual of Procedure for MCGM.  
ii. Ease of Doing Business - Manual of Procedure for Slum Rehabilitation Scheme (S.R.S.) Approvals dated 9<sup>th</sup> March 2017, containing circular and process document released by Hon'ble Minister of Housing Shri Prakash Mehta.

The Government of India's initiative of Ease of Doing business aims to simplify the process of building approvals and to remove bottlenecks for the same to ensure faster development. This is also in line with the Pradhan Mantri Aawas Yojna's target of creating a large housing pool & housing for all by 2022.

Under ease of doing business self-certification is found to be acceptable to grant various permissions and reduce the number of steps involved by giving maximum permissions at one go subject to some basic compliances.

To further these mandates the MCGM and SRA had published requisite Circulars and Manuals to simplify the building approval processes.

Taking into account the spirit of the above directions and desirability of achieving expeditious completion of rehab buildings so as to fulfill the mandate of government, it is directed that the various NOC's involved in the S. R. Schemes shall be taken from the qualified consultants as it is adopted by MCGM in EODB Manual. Following NOC's as tabulated below can be taken from consultants with the qualifications shown in the table.

**A.** The Owner/Developer shall appoint qualified consultants for technical guidance and design of the various aspects of the S.R.S. as mentioned in the Table 1 and who shall offer detailed reports for submission to S.R.A. The certificate to that effect will be submitted to SRA. The Consultant's Remarks, Design, and Completion Certificate submitted by the developer shall be considered sufficient for progressing the proposal. The details of the consultants offering remarks and completion certificate and the qualification of consultants shall be furnished along with application for grant of LOI. In case of internal services if the buildings to be connected to main service of MCGM, the NOC of MCGM is mandatory

**Table:-**

| Sr. No. | Particulars of remarks and completion certificate in case of individual plots and Layout / Subdivision / Amalgamation | Remarks / Certification By | Minimum qualification of the consultant to be appointed by developer   |
|---------|---|----------------------------|--|
| 1       | Internal layout roads / Street Lights / Set back/ D. P. Road.   | Consultant                 | Graduation in Civil Engineering with three (3) years' experience in relevant field / Architect registered with council of Architect.             |
| 2       | Internal sewerage system/ STP/ Septic Tank in case of in case of absence of sewer line in the Vicinity                | Consultant                 | Graduation in Civil Engineering with three (3) years' experience in relevant Held / Architect registered with council of Architect.              |
| 3       | Parking layout and Maneuverability.   | Consultant                 | Architect registered with council of Architect / Licensed Surveyor Registered with MCGM having three (3) years' of experience in relevant field. |
| 4       | Storm water drain   | Consultant                 | Graduation in Civil Engineering with three (3) years' experience in relevant field.  |
| 5       | Internal Water Works  | Consultant                 | Graduation in Civil Engineering with three (3) years' experience in relevant field Architect registered with council of Architect.               |
| 6       | Mechanical & Electrical works Ventilation   | Consultant                 | Graduation with three (3) years' experience or Diploma with six (6) years' experience in Mechanical Engineering for Mechanical works.            |
| 7       | HVAC  | Consultant                 | Graduation with three (3) years' experience or Diploma with six (6) years' experience in Electrical Engineering for HVAC works.                  |
| 8       | Electrical Works  | Consultant                 | Graduation with three (3) years' experience or Diploma with six (6) years' experience in Electrical Engineering for Electrical works.            |

|    |                                     |                       |  |
|----|-------------------------------------|-----------------------|--|
| 9  | Horticulture works and Tree mapping | Consultant            | Graduation in Horticulture. Botany or Agriculture with minimum 2 years' experience in relevant field.  |
| 10 | Fire Safety Consultant              | Consultant            | Graduate with three (3) years' experience in Fire Safety Engineering.  |
| 11 | Rain Water Harvesting               | Consultant            | Graduation in Civil Engineering with three (3) years' experience or Graduation in Environmental Engineering with 2 years' experience / Architect registered with council of Architect. |
| 12 | Geologist                           | Consultant            | Masters degree in Geo Tech. Engineering / Soil Mechanics.  |
| 13 | R.C.C/ structural Work              | Consultant            | As per the grades prescribed from time to time by M.C.G.M.   |
| 14 | Title clearance certificate         | Advocate or Solicitor | Minimum three (3) years' experience in field   |
